

Long-term school closure work expectations (LTSC Days)

7th Grade (no AC classes):

Monday, Wednesday, Friday: Students and teachers log into Google Hangouts to get together for a live session. Google Calendar invites will be provided by teachers to log on.

Live sessions will have a mini-lesson (or two) and will give the opportunity to clarify assignments and ask questions the students may have.

Sessions are recorded and uploaded to Google Classroom.

Homework will be given in connection with the content discussed during the session.

| Time | 7th |
|-------------|---------------------|
| 9:00-9:45 | Math - live session |
| 10:00-10:45 | ELA- live session |
| 11:00-11:45 | L2 - live session |
| 1:00-1:45 | SC - live session |
| 2:00-2:45 | SS - live session |

Tuesday and Thursday: Teachers will push out activities via Google Classroom. Students work independently at home (no live sessions). Teachers will be available to answer questions via email if needed.

Activities pushed out are considered classwork assignments (unless otherwise specified).

Student assignments should provide them with work for about 45-60 minutes.
